# Alumni News

Dr. Kristi Vo, TAMS Class '06, is launching a new business. Check her out [www.vo.care](http://www.vo.care)

Akash Wadawadigi, Class of '15 recently promoted to Director of Software Engineering at Ramp!

Sharon Mathai-Kuruvilla, '08, will be starting a new position as Associate Director, Ambulatory Nursing at The University of Texas M.D. Anderson Cancer Center

Serendipitous paths cross in Columbus Ohio, Nationwide Children's Hospital (affiliated with Ohio State). Evelyn G, '15, as a second-year resident, meets Dr. Amanda Jacobson, '03. Both focusing on pediatric hematology/oncology! TAMS reminiscing and fun stories ensued. Even the bunny was happy to be there!

Chintan Sutaria, '05 has a new start up Opendar - focusing on bringing innovation to electronics manufacturing.

Sawyer Foyle, '13 is starting a new position as Clinical Pharmacist - Cardiology at Providence St. Vincent Medical Center in Portland, Oregon.

Apsara Mitra, '20, is one of the USA featured speakers at the GREENTECH Festival 2025

Anabel Potts TAMS '16 graduated from UNT this May with her PhD in Clinical Psychology!

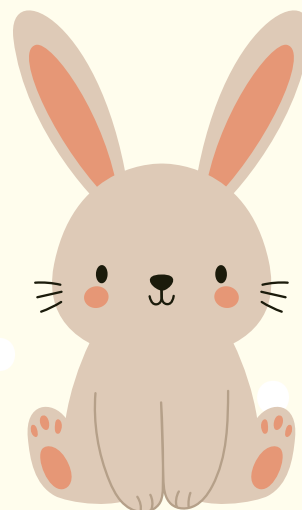

Sean Kelly Eyre, '08, was spotted at wedding where the TAMS Dean was able to capture this happy couple.

Madhuran Selvaa, '22 stopped by to say hello. Madhuran got to sign the back of the UTD pennant for he will be graduating this May and then is heading to med school. Stop by TAMS, see Russ, sign your college pennant and walk away with an alumni shirt!

Pooneh Bagher, 2000, recently received faculty recognition.
