

TAMSTRIBUNE

September 26, 2022

From parents that want to connect with their children to TAMSters that wish to reminisce over their life at TAMS, the tribune is a monthly newsletter that will provide parents and students with the memories of a lifetime!

WATERMELON EATING CONTEST

This past summer, Ballot hosted our very first Watermelon Eating Contest! Over two dozen participants stepped up to the challenge, but only one could be crowned champion. We're proud to announce that this year's champion is Madhav Thamaran, who bested four other fierce competitors in a thrilling final! Beyond the regular competition, we also had a battle of watermelon consumption between Ballot and Research Organization. When the dust settled, Ballot came out on top!

GREAT MAZE

The Great Maze was a scavenger hunt hosted during fall orientation for the juniors. They deciphered riddles that led them to different buildings across campus where they completed tasks for points. After spending a morning exploring campus and bonding with teammates, the winning group got to pie the RO execs in the face!

CLUB BONANZA

Club bonanza enabled the juniors to get exposure to the numerous clubs at TAMS. From Tams Medical Society to Computer Science Organization and Girl Up, juniors got to see what TAMS extracurriculars are all about!

FROG NIGHT

Frog night was a Fall O event hosted by student council where 2-3 seniors and 5-6 juniors go to dinner and explore Denton. The perfect bonding experience for getting the school year started, frog night helped juniors gain valuable experiences and friendships to prepare them for the school year

TAMS ACADEMIC SOCIETY

TAS held an event for incoming juniors to give them a snapshot of academics and prepare them for the next two years. We provided them with helpful tips about the academic tracks, time management skills, and how to find a balance between all that TAMS has to offer.

SENIOR SUNRISE

Seniors woke up early in the morning and headed to the parking garage to watch the sunrise with their senior class. This is a traditional celebration of the beginning of the end of high school!

CASINO NIGHT

TAMS Business Organization hosted this Casino Night on the 16th of September. From cup pong to poker, many students said casino night was "the most fun event they've been to at TAMS...thus far 😊"

JUNIOR JUBILEE

Field Day event hosted by Ambassadors during Fall O. Through fun events such as sponge race and hula hoop pass, juniors were able to bond with one another and have an exciting Sunday evening before the start of the school year.
