

SUMMER 2023 ORIENTATION AGREEMENT

Texas Academy of Mathematics and Science ♦ University of North Texas

TAMS Summer Orientation is an opportunity for students to become acquainted with fellow students and staff as well as learn TAMS-UNT traditions and policies. You will benefit the most by participating fully in every session. You are expected to attend all orientation sessions and to stay with your assigned group.

Participants in TAMS Summer Orientation are responsible for abiding by TAMS and UNT policies and for using good judgment if a policy is unclear. We wish to avoid problems such as drug or alcohol use; deliberate destruction of TAMS-UNT property; activation of false alarms; tampering with any fire safety equipment or early warning systems; excessive noise; and uncooperative or disruptive behavior.

I have read and understand the above information. I understand that violating this agreement may jeopardize my status with the academy. I also understand that I may be asked to leave the orientation program and thus the academy.

Student Name (Print): _____

Student Signature: _____

In the event that you become ill or it becomes necessary to dismiss you from the orientation program, TAMS staff would need to contact your parents. Please complete the following information about how we could contact your parent/guardian tonight:

My parent(s)/guardian(s) names(s) are: _____

Check mark where your parent(s)/guardian(s) can be reached tonight during Summer Orientation:

- ☐ at home. Home phone number is _____
- ☐ at hotel. Cell phone number is _____
